

RumaPro

Livestock Flow Agent

Rumapro is an immune and digestive support blend that takes Protomos a step further in protecting livestock health and improving production. While enhancing immunity and health, the addition of bentonite and Bacillus subtilis work to help flush toxic substances and improve digestion of feed. All this adds up to improved gut health and energy extraction for production. For use in beef and dairy feed.

Guaranteed Analysis

- Total Microorganisms 2×10^8 *cfu/gm (Bacillus subtilis)

Ingredients

- Yeast extract,
- bentonite,
- Dried bacillus subtilis fermentation product

Feeding Recommendations

- For use in non-medicated feed in an amount not to exceed 2% in total ration.

Storage & Handling

- Store product in a cool dry area. Avoid inhalation.
- Shelf life: 24 months from date of manufacture.
