

# ◆ Prevail™

# ◆ Prevail+™

## Direct-fed microbial supplements that help dairy cattle manage the negative effects of feed and forage quality challenges including exposure to mycotoxins

Feed and forage quality challenges can disrupt the health and productivity of your dairy herd. Be prepared to deal with mold and wild yeast growth, pathogen challenges and mycotoxin contamination.

**Prevail™** contains specifically selected prebiotics and probiotics, and a proprietary source of bentonite to help overcome the problems associated with compromised feed and forage quality.

**Prevail+™** provides all the same capabilities as Prevail, PLUS additional levels of a proprietary source of bentonite to help support the challenges associated with higher levels of mycotoxins.

### Active Ingredients:

**Mannan oligosaccharides (MOS)** and **β-glucans** help bind pathogens, support intestinal health, immune function and reduce exposure to mycotoxins

**Bacillus subtilis\*** to help promote the proliferation of lactic acid bacteria and inhibit pathogenic bacteria growth (competitive exclusion)

\*2 X 10<sup>9</sup> cfu/g total microorganisms

Proprietary source of **Bentonite**.

Benefits	Prevail™	Prevail+™
Helps bind pathogens like <i>E. Coli</i> , <i>Salmonella</i> and <i>Clostridia</i>	X	X
Supports competitive exclusion by promoting lactic-acid-producing bacteria which helps inhibit pathogenic growth	X	X
Helps provide low to moderate mycotoxin control	X	
Helps provide moderate to high mycotoxin control		X

### Estimated Return on Investment\*:

Milk Diff. lb/day	Value of Milk Diff.	◆ Prevail™		◆ Prevail+™	
		Cost per cow/day	Return On Investment	Cost per cow/day	Return On Investment
+1 lb	\$0.23	\$0.10	2.3:1	\$0.12	1.9:1
+2 lb	\$0.46	\$0.10	4.6:1	\$0.12	3.8:1
+3 lb	\$0.69	\$0.10	6.9:1	\$0.12	5.75:1

Milk Price = \$23/CWT

Recommended for gut health support and low to moderate mycotoxin challenge

Recommended for gut health support and moderate to high mycotoxin challenge
